It is very important to me that my political representatives protect the rights of women & girls to:

- **SINGLE-SEX SPORTS** for biological females, because studies prove cross-sex hormones can't reverse male advantages like speed & strength. Female athletes need fair, safe sports.
- **SINGLE-SEX PRISONS** because incarcerated women are being harassed and raped by men who are housed with them.
- **SINGLE-SEX CHANGING ROOMS, BATHROOMS & CRISIS SHELTERS** because women & girls have a right to privacy from *all* males in such spaces, however they may identify. This is especially crucial for women who have suffered the trauma of male violence.
